JOB DESCRIPTION: Staff Interior Designer

SR/A Interior Design, a full-service commercial interior design firm specializing in multifamily residential projects, seeks a Staff Interior Designer to support our new construction multifamily projects remotely and hands-on at its Chevy Chase studio. For consideration for candidacy for this position, please submit a portfolio of past work.

Responsibilities will include:

Documentation

- Contributing to drawing elevations, sections, RCPs and assisting with documentation whenever necessary
- Assisting, as needed, during the construction administration process to ensure that construction elements will be installed and executed in a way that honors the integrity of the design.
- Assisting with sourcing material and lighting reselections in the case of owner request, discontinued products, or VE need

Design

- Assisting in project needs primarily programming phase through design development as well as procurement phases
- Assisting with the development of special treatments, art features, focal lighting elements, etc.
- Participating in material selections and documentation of selections
- Participating in the creation of client presentations

Professional experience required:

- Career in interior design profession for 3-6 years (preferred)
- Experience in all phases of the procurement process and experience with furniture specification
- Familiarity with commercial grade material vendors
- Familiarity with Multifamily Residential (preferred), Commercial, or Hospitality design fields
- Comfort working in a deadline driven environment
- Capability to handle multitasking
- Degree in Interior Architecture / Design or Architecture required
- NCIDQ Certificate holder preferred

Software experience required:

- AutoCAD proficiency (3 years minimum preferred)
- REVIT / BIM proficiency (3 years minimum)
- Studio Designer or similar procurement software
- Microsoft Office Suite
- InDesign
- Adobe Acrobat
- SketchUp

Work environment flexible:

- Ability to work from home office and to travel to company headquarters in Chevy Chase, MD for meetings, training, etc.
- Must have own means of transportation

Compensation commensurate with experience. To apply, send resume, cover letter and portfolio of design work to careers@srainteriordesign.com
